WHO WE ARE

The **National Guard Association of Texas** is a non-profit veterans organization of over 30,000 Texas National Guard members and retirees. The National Guard Association of Texas was founded in 1959 by a group of Warrant Officers on the principle that it is important to have an organization speak out for the Texas National Guard and its members.

The purpose of the National Guard Association of Texas is to promote, safeguard, and advance the interest of the Texas Military Forces and the National Guard of the United States as a component of the Armed Forces of the United States.

We are a premier professional association that serves and advances the interests of its members and supports the Texas Military Forces.

WHY JOIN US

Companies that partner with NGAT find it a rich and rewarding experience, one that benefits not just the corporation and NGAT but, even more important, our service members and their families. With input from our partners, we continue to develop different ways we can work together to strengthen our military and their families both at home and in the community.

NGAT corporate members are local businesses, large corporations, civic groups, veteran's organizations, and local community groups. Our program provides corporate members the opportunity to demonstrate to the community that they support Soldiers/Airmen and their families while strengthening their own business opportunities. Your companies product and services can make a tremendous difference to our organization and the members we support.
