WHO ARE WE?

The National Guard Association of Texas (NGAT) was founded on the principle that it is important to have an organization speak out for the Texas National Guard and its members.

WHAT DO WE DO?

NGAT seeks to provide the best services and benefits to promote, safeguard, and advance the interests of our members, communities, and partnerships.

WHAT ARE WE WORKING ON?

NGAT has called on state officials to improve benefits for troops on state active duty. Recent testimony sums it up, "We just want parity. Military Department members and their family should have the benefits guaranteed to other public service employees serving in the same scope of work," LTC (Ret) Marvin Harris, CAE
